MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 6141, A Bill to Provide Health and Medical Services for Civilian Employees in Government Service Overseas and Their Dependents, and for Other Purposes

1. Your attention is invited to the attached summary analysis of the proposed legislation which has been made by our Benefits and Casualty Division.

2. While the proposed bill is advantageous to the Government employee, its enactment would pose security and administrative problems for this Agency. Also, we believe clarification of the concept of employee liability set forth in Section 9 would be desirable.
